

PANACEA Platform – New NFC Project

<https://www.app.panacea-h2020.eu>

THIS PROJECT HAS RECEIVED FUNDING FROM
THE EUROPEAN UNION'S HORIZON 2020 RESEARCH
AND INNOVATION PROGRAMME UNDER GRANT
AGREEMENT N. 773501

PANACEA
Non Food Crops for a EU Bioeconomy

Dear reader,

Reading this is a proof of your intent to include your NFC project into the PANACEA platform. Thank you very much for the time and effort to do this.

This guide will explain to you the process step by step using both text and visual aid. If how ever you have any question and/or face any difficulty during this process feel free to contact us through available on the platform [contact form](#).

Looking forward to see your input.

Best regards,
PANACEA Team

The three step process

Three simple steps away from inserting your NFC project to the PANACEA platform

Create an account

**Fill the New Project
form**

**Relax & Wait for
the screening process**

You can publish your own non food crop projects that are near to practice through a very simple three (3) step process

The three step process / Step 1 / User Registration

Step 1
Create an account

The three step process / Step 1 / User Registration

Three simple steps away from inserting your NFC project to the PANACEA platform

A screenshot of the PANACEA Platform registration form. At the top center is the PANACEA logo. Below it is the title "Login to PANACEA Platform". The form contains four input fields: "Full Name" with a person icon, "Email" with an envelope icon, "Password" with a lock icon, and "Confirm password" with a lock icon. At the bottom left, there is a link "I already have a membership" and at the bottom right, a blue "Register" button.

You can register yourself into the platform through a very simply form where you place your name, your email and the desirable password and you are ready.

Crops Tab

The three step process / Step 2 / New NFC project form

Three simple steps away from inserting your NFC project to the PANACEA platform

In the crops tab you can provide information on which crop(s) your project addresses

Provide the scientific and vulgar names of the crops that your project appeals to. By pressing comma (,) you can place multiple values.

Also select the crops from the list as well as the topics you address. You can select multiple values.

Hint: the crop and topic selection you place here will be used in the projects list page to filter and showcase your project.

Crops Tab

Partners Tab

The three step process / Step 2 / New NFC project form

Three simple steps away from inserting your NFC project to the PANACEA platform

Every project has a consortium. Right?

Provide information about the partners that collaborated in your project. Information about the coordinator of the project are obligatory, where you can place as many partners as you please by pressing the *Add new Partner Button*

Add new partner

Hint: Only the coordinator fields are mandatory for a successful submission of the form, however, please put the effort and add the partners as well for a better representation of your project.

Partners Tab

The three step process / Step 2 / New NFC project form

Three simple steps away from inserting your NFC project to the PANACEA platform

The screenshot shows a web form with a navigation bar at the top containing the following tabs: General info, Crops, Partners, Objective/Reports (which is currently selected), Keywords, Websites/Audiovisual, Abstracts, Project Images, and Other info. The main content area is divided into several sections, each with a text input field and a small upward-pointing arrow at the end of the line, indicating a scrollable area:

- Final Report:** A text input field.
- Objective En:** A text input field with a note below it: "300-600 characters, word count - no spaces".
- Objective:** A text input field.
- Summary For Practitioners in English:** A text input field.
- Summary For Practitioners in native language:** A text input field.
- Description Project Activities in English:** A text input field with a note below it: "(max 600 characters, word count - no spaces)".
- Description Project Activities in native language:** A text input field with a note below it: "(max 600 characters, word count - no spaces)".

At the bottom of the form, there are three buttons: "Previous" (disabled), "Next" (active), and "Cancel" (disabled).

Objectives/Reports Tab

The three step process / Step 2 / New NFC project form

Three simple steps away from inserting your NFC project to the PANACEA platform

What is your project about?

What is the main purpose of your project, which are the outcomes and the activities you performed in the scope of its implementation?

All of these information can be placed here on the equivalent fields.

Please be as precise and detailed as possible since these information are very valuable for the visitors and/or potential stakeholders.
